

# 3<sup>RD</sup> JULY HS2 WETLAND MITIGATION HEARING

## HS2 v London Borough of Hillingdon Council

Legally HS2 must mitigate for protected habitats and species. However they are seeking Planning Permission to only **create 2 acres** of wetland compensation for **taking 62 acres** of wet woodland and waterside nature reserves. London Borough of Hillingdon have already said NO once. Now the Planning Inspectorate will hear all sides.

We love and want  
to **PROTECT**

Our wet woodland  
in Denham  
Country Park,  
HOAC Lake,  
Savay Lake and  
the Grand Union  
Canal London.

**STOP HS2**  
destructive plans  
and inadequate  
compensation

**Support the  
Council**
