

Great Missenden – Package of Assurances

- Link Road roundabout and Frith Hill roundabout safety measures
- Provision of a safety barrier on A413 Link Road roundabout close to adjacent skate park and playground
- Contribution of £500,000 to Bucks County Council/ the Local Education Authority towards the provision of a new car and coach park for Great Missenden Church of England Combined School, providing for parents to drop off and pick up pupils safely.
 - This includes provision for the following (responding to feedback):
 - a roadway and pedestrian footway to the Link Road
 - a shelter for waiting pupils; and
 - a road barrier to be operated from the school office; together with
 - any improvements required to visibility splays/ the junction to the link road
- A haul road landscaping scheme to a value of £500,000.
 - The nominated undertaker will liaise appropriately with Great Missenden Parish Council on the landscaping scheme at detailed design stage in order that they can review the proposed landscaping scheme and provide their reasonable comments.
- Subject to Great Missenden Parish Council working with Bucks County Council to identify replacement free car-parking places – whether on-street or off-street, and securing all relevant consents from local landowners and the highways authority, a contribution of £250,000 to Bucks County Council for provision of replacement parking spaces.
